21 member has been given the opportunity to return to work.

16 the notice to do so; unless a substantial cause exists which precludes such a return.

17 **ARTICLE 19 - OVERTIME AND CALL BACK PAY**

18 19.1 Definitions:

19 A. Base rate: The member's annual wage at their step and grade divided by their
20 annual working hours. Forty (40) hour per week equals two-thousand and eighty (2080) annually
21 and Twenty-Four (24) hour shift equals two-thousand nine-hundred and twelve (2912) annually.

22 B. Regular Rate: Is base rate plus factored incentives remunerated per FLSA.

23 C. Half rate: Regular rate divided by two (2).

24 19.2 Overtime. Forty (40) hour per week paid members. Overtime for eligible Members
25 (non-exempt paid members as defined by FLSA) is that time worked which exceeds the normal
26 standard forty (40) hour work week. Overtime worked as a result of regular work schedules
27 shall include actual time worked and includes paid leaves such as, but not limited to, holidays,
28 annual leave, sick leave, jury duty and standby.

29 19.3 Overtime. Twenty-Four (24) hour shift Members. Overtime for eligible Members, (non-
30 exempt Members as defined by the FLSA) is that time actually worked which exceeds one-
31 hundred and twelve (112) hours within the fourteen (14) day FLSA work period.

1 19.4 All overtime hours, as defined above, shall be compensated at base plus half rate.
2 Overtime should be paid in the same paycheck covering the pay period in which the overtime
3 was earned. Overtime will be paid in ¼ hour increments. For example 1 hour and 15 minutes
4 will be represented at 1.25 hours.

5 19.5 Call Back Pay - Whenever a Member, enrolled in Nevada PERS prior to June 30, 2008:

6 A. Has had a break in service, and

7 B. Is requested to return to duty with less than twelve (12) hours notice.

8 They shall be offered a minimum of two (2) hours call back pay at their overtime rate. In the
9 event the situation requiring initiation of Call Back is mitigated prior to the two hours being
10 worked, the employee will be offered the opportunity to leave and be compensated for only the
11 hours worked. In the event that the call back time happens less than two hours prior to the
12 employee's regularly scheduled shift, the employee will be compensated for the time worked
13 prior to the shift.

14 19.6 Call Back Pay - For employees enrolled in Nevada PERS on or after July 1, 2008 – call
15 back pay is defined as compensation earned for returning to duty after a member has completed
16 his/her regular shift and is requested to return to duty with less than twelve (12) hours notice to
17 respond to an emergency, except for any member who is:

18 A. Called into work while on standby status,

19 B. Not required to leave the premises where he/she is residing or located at the time
20 of notification in order to respond, or

21 C. Called back to work if the work begins one (1) hour or less before or after his/his
22 scheduled work shift.

23 19.7 Call Back Pay – For employees enrolled on or after January 1, 2010 – call back pay is
24 defined as compensation earned for members returning to duty within twelve (12) hours after
25 one's regular working hours to respond to an emergency. As used in this policy, "emergency"
26 means a sudden, unexpected occurrence that is declared by the governing body or chief
27 administrative officer of the public employer to involve clear and imminent danger and require
28 immediate action to prevent and mitigate the endangerment of lives, health or property.

29 19.8 **Procedure:**

30 A. Overtime coverage of twelve (12) hours or greater should be filled using the
31 appendix OT-1 rotation chart. When the opening is created by a Captain, Appendix OT-2 will be

1 used as a reference prior to offering the Overtime. The chart will be utilized whenever possible
2 for filling available overtime slots based on any available leave created for non-emergency
3 reasons, or any coverage deemed necessary by the Duty Officer.

4 B. When filling scheduled leave slots, calls will be made on Thursdays
5 corresponding with pay day weeks, not more than 30 days or less than seven (7) days prior to the
6 shift to be filled. Calls will be made between 09:00 and 12:00 pm to the numbers provided by
7 personnel (no more than two numbers per individual). If the Members on duty are involved in
8 call response, and unavailable to answer the phone, the Duty Officer will determine the best
9 course of action. No grace period will be allowed to return the phone call to accept overtime for
10 personnel who are not on duty but a voice message, if possible, should be left stating the nature
11 of the call.

12 C. Position on the list will change when the overtime is accepted or refused, not
13 when it is worked. Position will also change if contact is not able to be made after utilizing both
14 contact numbers. Each time an overtime slot is filled; the appendix OT-1 list referencing that
15 slot will be printed out and logged. After accepting an overtime slot, if the leave is not taken and
16 the slot no longer needs to be filled, you will be placed at the top of the list for the next available
17 opening.

18 D. If a Member so chooses or situation requires, they may be listed unavailable (UA)
19 for contact and they will not lose their position on the list. When they are again available, they
20 will be placed back in available rotation on the list. While members are listed as (UA) they can
21 move up the list, but not rotate down. If an employee is already on a scheduled shift trade or is
22 attending approved and scheduled training representing the District, (must have a signed training
23 request), they will be considered (UA) for overtime offerings for the day to be offered.

24 E. Overtime will be offered based on a combined member pick list of rank for rank.
25 In the event a Captain creates an opening, if safety staffing is met, a Captain will be hired back
26 on overtime regardless of EMS qualification. If a firefighter creates the opening, if safety
27 staffing is met, a firefighter will be hired back on overtime regardless of EMS qualification. If
28 held for mandatory coverage of 12 hours or more, your spot on the list will change.

29 F. Areas where the overtime policy does not apply:

30 1. Any 56 hour or 40 hour employee in a temporary authorization evaluation
31 process is not eligible for participation in the aforementioned overtime policy. If the member

1 was already employed with the District, i.e. if prior to starting their TAP process they were
2 employed with the District as a Firefighter-EMT Advanced, they are still eligible to fill overtime
3 slots at that rank, however they are not eligible to fill paramedic overtime until they have
4 completed their TAP process.

5 A. This article does not exclude them from the ability to fill special
6 assignment overtime.

7 **ARTICLE 20 - RANK FOR RANK OVERTIME**

8 20.1 All coverage under Article 20 must meet the requirements of Article 46, Article 19 and
9 Appendix OT-2.

10 20.2 Whenever possible firefighters will be used to fill firefighter openings and Captains will
11 be used to fill Captain openings.

12 20.3 In the event no staff is available to fill from the Appendix OT-1 combined member pick
13 list, mandatory overtime will be forced.

14 A. Mandatory overtime coverage will be imposed on a member who is already on
15 shift, has not had a break in service, and who meets the requirements for safety staffing.
16 Members meeting these requirements shall be polled for availability and if no one accepts,
17 mandatory overtime shall then be imposed on the member with the least seniority.

8 annual leave slot leave per shift (A, B, C, D) per six (6) employees per day.

9 21.6 Annual leave requests will be taken on the first (1st) Monday in August for the following
10 calendar year. Each Member will be able to have three (3) vacation draft choices. Each draft
11 choice will be no longer than six (6) shifts. These requests will be filled in order of seniority and
12 draft choice order. Draft order is determined by seniority with the most senior person requesting
13 leave having the first (1st) pick. Once all first (1st) round picks have been chosen, the second
14 (2nd) and proceeding rounds will follow the same seniority and procedure with a maximum of
15 three (3) rounds.

16 21.7 The remaining dates will be available for request using this policy on a first come first
17 served basis. Requests for annual leave should be presented at least fourteen (14) days prior to
18 the requested vacation time. Special consideration may be given to emergency situations.

20 emergency which may keep a member from getting to work, I.e.: flat tire, delayed plane,
21 inclement weather, a member may use short notice annual leave. Emergency leave will be

The payment will be received on the check for the first (1st) full pay period in November. To be eligible for annual leave buy out, the Member must complete probation and have the annual leave available at time of buyout. Buy out may not exceed the currently assigned work week hours of the Member. The buyout will be at the requesting paid member's current base hourly rate at the time of the payout and will not affect FLSA or overtime.

ARTICLE 24 - CATASTROPHIC LEAVE DONATION/CREDIT

24.1 Policy and Guidelines

A. Catastrophic leave benefits may be established for any Member who has exhausted all accumulated leave balances. Catastrophic leave is intended to provide a portion or all of a Member's pay during the time the Member would otherwise be on medical leave of absence without pay.

B. Participation in the catastrophic leave program is completely voluntary.

C. Catastrophic leave may be approved when:

1. An eligible Member suffers a severe illness, injury or emergency which is expected to incapacitate the Member for an extended period of time and which creates a financial hardship because the Member has exhausted all of his/her accumulated leave.

2. When an immediate family member suffers injury/illness resulting in the Member being required to take time-off from work for an extended period of time to care for the family member, which creates a financial hardship because the Member has exhausted all of his/her accumulated leave.

D. This policy allows Members to donate sick leave to another Member when the donating Member's sick leave would not be reduced to less than 400 hours and the recipient Member has met all of the requirements of the policy. Information about donors will be kept strictly confidential.

24.2 Establishment/Eligibility for Catastrophic Leave

1 A. Members (or their affected designees) requesting establishment of catastrophic
2 leave donation must submit a written request to the District Chief. The request must provide
3 sufficient information to enable a determination to be made whether the Member qualifies for
4 catastrophic leave donation. This information will be maintained confidentially.

5 B. Catastrophic leave requests for injury/illness must include medical verification
6 from a physician that describes the Member's or the family member's catastrophic illness or
7 injury. If the request is for a family member, it should also specify that the member's attendance
8 of the ill or injured family member is required. Leave requests must include the estimated date
9 of return to work.

10 C. Catastrophic leave may be applied for as many times as the employee deems
11 necessary.

12 24.3 Donation Procedure

13 A. It is the responsibility of the Member (or his/her designee) to canvass other

15 voluntary; coercion or harassment of fellow Members to donate will not be tolerated.

16 B. Donations must be a minimum of four (4) hours. Donated hours will be
17 considered hour for hour.

18 C. If the recipient returns to work before the donations are exhausted, the donations
19 are eliminated from the catastrophic leave bank. Any remaining hours left in the bank will be
20 returned to the donating employees based on their percentage of the original donation pool. For
21 example: if the original donation pool was 100 hours and you donated 10 of those, if the
22 remaining balance of hours is 24 hours, you will get 2.4 hours back.

23 D. All benefits will continue as if the recipient Member was on sick leave.

24 E. All accrued leave will be used prior to the donated leave being used.

25 24.4 District Credit to Sick Leave.

26 A. Members may apply for a one time District credit into their sick leave bank. In

6 are eliminated from the employee's sick leave bank.

7 E. After the Member returns to duty, all District credited hours used will be paid
8 back hour for hour from the Member's sick and annual leave accrual until all used credited hours
9 are paid back.

13 Member his/her full regular wage for up to the first five (5) days of absence. If a Member
14 subsequently becomes eligible for TTD/TPD for these days, he/she will endorse that Worker's
15 Compensation check over to the District.

16 41.3 Members performing temporary alternative duties in the Fire District may be assigned to

20 working temporary alternative duties will continue to accrue sick and vacation benefits, as they
21 are in full pay status. The District will also continue its full contribution toward the Member's
22 group medical insurance. If a Member receives TTD/TPD for these days, he/she will endorse

30 average of 112 hours per pay period for Twenty-Four (24) hour shift personnel or Eighty (80)

1 hours for Forty (40) hour personnel. A Member will endorse his/her TTD/TPD check over to the

19 transition of the Member back to unrestricted, full duty performance of all of the essential

between

Central Lyon County Fire District

and

The Central Lyon County Firefighters Association,

IAFF Local #4728

July 1, 2015 to June 30, 2018

Revisions Negotiated and Approved January, 2016

THIS ADDENDUM TO THE COLLECTIVE BARGAINING AGREEMENT is made this 14th day of January, 2016, by and between the Central Lyon County Fire District and the Central Lyon County Firefighters Association, IAFF Local 4728.

It is mutually agreed between the District and the Association that the Collective Bargaining agreement for the period of July 1, 2011 to June 30, 2013 be amended as follows:

Amendment to Article 35; to read as:

ARTICLE 35 - GROUP HEALTH INSURANCE

35.1 The District agrees to maintain, at a minimum, the level of care provided under our current Medical, Dental and Vision plans.

35.2 **Medical** – this includes 100% coverage for the employee and dependents under our current Health Savings Account program. Coverage Benefits will continue at the level presently provided as outlined in the Explanation of Benefits. The District agrees to payment of \$2,000.00 into each Employees HSA account annually in the first (1st) full pay period in January.

A. Effective January 1, 2017 renewal, and thereafter for the duration of this contract, there will be a seven and one-half percent (7.5%) budgeted cap on the increase of dependent coverage premium increase covered by the District; this shall be reviewed/negotiated during the November 2016 and 2017 contract re-opener for the purpose of negotiating the calendar year group insurance renewal. This cap shall be compared to the previous year budgeted and actual health care premium expenses, and a comparison of total dependent expenses divided by number of dependents covered.

1. Any planned or know additional premium expenses shall be added to the group insurance budget line item prior to comparing the premium cap. I.e.; new hires, planned new hires....

B. Any dependent health insurance coverage premium budget cap excess or shortage shall be divided upon all employees and either added to or subtracted from their annual HSA district contributions only one (1) time annually in the first (1st) pay period in January. If a change is made to the HSA contribution amount to meet the cap this amount will be the base amount for the next year.

C. The District shall assume one-hundred (100%) percent of health insurance coverage premium increases for the individual members only.

In Witness Whereof, the District and the Association have caused this agreement to be executed and the authorized representatives signing below warrant that this agreement has been properly approved by the necessary majority of the governing bodies of the District and the Association.
